The Morton County Community Coalition, a registered 501(c)(3) nonprofit organization, is excited to announce a regional live music event on September 27, featuring American Idol country artist Drake McCain, Morton County roots artist Jordan Mitchell, and local musician Radleigh Hurn. This is a significant fundraiser to enhance mental health resources for suicide prevention in our rural county. Donations are tax-deductible and will directly contribute to strengthening Morton County, with donors receiving a tax receipt and sponsor-level recognition in promotional materials.
